About the Journal

European Journal of Economics, Law and Social Sciences is an international peer-reviewed journal published two times a year by International Institute for Private, Commercial and Competition Law - Austria. The need for different approaches in science, such as in business, economics, law, administration and social sciences is a must in the whole field of scientific research. Academics, Professors, Researchers, Students and the whole world is in a new era of communication, which causes fast changes and gives birth to scientific and cultural debates. Our Journal is interested in promoting the exchange of idea, and to bring together researchers and academics from all over the countries. In this sense, we welcome papers not only in the above cited fields, but also in other fields of scientific research. Welcome to EJELS, which is open for the academic world, universities, research institutions, PhD students, academic and non-academic researchers. Aiming at scientific excellence and quality, this journal will promote the best inputs in scientific- and academic research, on the prospective of local, international, global developments in business, economics, law, social-, but also natural sciences. All manuscripts will be double blind peer reviewed by the members of the editorial board who are noted experts in the appropriate subject area.
