Website: iipcccl.org

Call for papers

Paper should be written only in English, single-spaced on standard-sized paper A4 with 1" margins on all sides. You should use 12 pt. Times New Roman font.

Paper should include four major sections: the Title Page, Abstract, Main Body, and References.

- **Line Spacing:** Single-space throughout the paper, including the title page, abstract, body of the document, references, appendixes, footnotes, tables, and
- **Title Page:** It should contain the title of the paper, the author's name & surname, institutional affiliation, and E mail address, (Do not use titles or degrees Ph.D. etc) and continue next row with "body" of abstract. We recommend that your title to be no more than 12 words in length and that it should not contain abbreviations or words that serve no purpose. Your title may take up one sentence, one or two lines.
- **Abstract:** The abstract should be limited from minimum 200 to a maximum of 400 words (body of abstract)
- **Main Body:** It is important part of paper and will include indent of all issues that are reflected in summarizing abstract from introduction, aim of your study/research together with research topics, detailed research questions, participants, applied scientific methods, tables, graphs, data analysis, used findings, and Suggestion and recommendations are another key point of paper.
- **References:** It will be according to the APA Referencing This international conference uses the APA (American Psychological Association) referencing style. Please consult the Publication Manual of the American Psychological Association, 7-th Edition, ISBN 1-55798-790-4 or <http://www.apastyle.org/elecref.html> for further style guidelines. It should be noted that only works cited in the paper can be included in the references section.
- **Paper length:** We recommend 8-12 pages.

Paper Review Process

The conference employs a double-blind peer review process. Each submission will be reviewed by at least two independent reviewers. Authors may be invited to respond to reviewer comments during a rebuttal phase.

Final decisions will be made by the Scientific Committee after careful consideration of reviewer evaluations and author responses. Accepted papers must be revised in accordance with reviewer feedback before final submission.

Conference Themes:
